Description

University of California, Berkeley

Assistant Professor - Operations and Information Technology Management - Haas School of Business

The Haas School of Business at the University of California, Berkeley invites applications for a tenure-track faculty position in the Operations and Information Technology Management group. We will be filling at least one position with an expected start date of July 1, 2020.

The Haas School is committed to recruiting the most diverse students, faculty, and staff which enhances our mission, community, and academic excellence. We seek to provide an inclusive environment where everyone is treated fairly and has equal access to opportunities, a commitment that lies at the heart of Berkeley's mission as a public university.

Basic qualifications: Applicants must have a PhD (or equivalent international degree) or enrolled in a PhD (or equivalent international degree) granting program at the time of application.

Preferred qualifications: Applicants with a PhD or equivalent international degree in Operations Management, Industrial Engineering, or a closely-related field or who have advanced to PhD candidacy and will complete the doctoral degree or equivalent degree within six months of the start date.

To apply: <https://apptrkr.com/1576921>

Applications will be accepted through November 13, 2019.

We recommend that candidates attending the INFORMS conference apply by September 25, 2019.

Application Levels:

New/Recent PhDs: Individuals should submit their application at this level if they are a current or recent PhD candidate or graduate, or a current or recent postdoc. Please note that this level determination is only for application review purposes, not the ultimate appointment level of the finalist.

Current Assistant Professors: Individuals should submit their application at this level if they are currently employed as an assistant professor (including those who are "senior" assistant professors near tenure.) Please note that this level determination is only for application review purposes, not the ultimate appointment level of the finalist.
