

香港中文大學(深圳)  
The Chinese University of Hong Kong, Shenzhen

The University now invites applications and nominations for:

**Professor /Associate Professor/Assistant Professor in Business Analytics– The School of Management and Economics**

The School of Management and Economics at The Chinese University of Hong Kong, Shenzhen invites applicants for tenured/tenure-track positions in Business Analytics to begin fall 2019. Junior applicants should have (i) a PhD degree (by the time of reporting duty) in Business Analytics or related fields and (ii) high potential in teaching and research. Senior applicants for Associate and Full Professor positions are expected to have demonstrated academic leadership and strong commitment to the highest standard of excellence.

We welcome applications from individuals with research interests in the broad domains of Business Analytics and relevant fields. Teaching requirements may include undergraduate, masters, and doctoral level classes.

Applicants should submit a full curriculum vitae, teaching evaluations and a publication list by email to [talent4sme@cuhk.edu.cn](mailto:talent4sme@cuhk.edu.cn). Faculty will be available to meet with candidates at the INFORMS conference; applicants not attending INFORMS will also be considered. To ensure consideration, applications should be received by October 21, 2018, however the search will continue until the positions are filled.
