

ESMT Berlin was founded in October 2002 by 25 leading global companies and institutions. The international business school offers a full-time MBA, an executive MBA, a Master in Management as well as open enrollment and customized executive education programs. ESMT Berlin is a private business school, accredited by the German state and internationally. It is ranked 12th globally in the *Financial Times* Executive Education ranking in 2016. In Germany it is # 1.

To start earliest in August 2016, ESMT Berlin is looking for a

Postdoc Researcher in Operations Research / Operations Management

(m/f, fulltime)

You will be expected to work on a research program that develops integrated analytical frameworks to study operational decision making problems that arise in retail supply chains and on-line services. This is a cross-disciplinary program that involves choice modeling, assortment planning, price and revenue optimization.

You are qualified because you

- hold a PhD or an equivalent degree in Operations Research, Operations Management / Industrial Engineering or another relevant discipline,
- possess a record that demonstrates your research potential,
- have strong modeling, analysis and optimization skills,
- have knowledge in economics (in particular, knowledge on bounded rationality and rational inattention would be an asset)

Commencing any time after August 2016, this position is for one year with the possibility of extension for an additional year, based on mutual consent. We are flexible with regards to the starting date to accommodate the selected candidate.

What we can offer you

We offer one of the most international working environments in the heart of Berlin where you will work closely with Professor Tamer Boyaci. As a member of our team, you find an open-minded, collegial, inspiring, and goal-oriented atmosphere. At ESMT Berlin, communication channels are short and hierarchies are flat.

We are looking forward to receiving your application in English via e-mail (Subject: Postdoc) including:

- Motivation letter, stating your salary expectations and your date of availability
- CV, including the contact information for at least two references
- Relevant certificates
- Non-EU citizens without a proper work permit will need to apply for one
