

Florida International University is classified by Carnegie as a R1: Doctoral Universities – Highest Research Activity and recognized as a Carnegie engaged university. It is a public research university with colleges and schools that offers 196 bachelor's, master's and doctoral programs in fields such as engineering, computer science, international relations, architecture, law and medicine. As one of South Florida's anchor institutions, FIU contributes almost \$9 billion each year to the local economy. FIU is Worlds Ahead in finding solutions to the most challenging problems of our time. FIU emphasizes research as a major component of its mission. FIU has awarded more than 220,000 degrees and enrolls more than 54,000 students in two campuses and three centers including FIU Downtown on Brickell, FIU@I-75, and the Miami Beach Urban Studios. FIU's Medina Aquarius Program houses the Aquarius Reef Base, a unique underwater research facility in the Florida Keys. FIU also supports artistic and cultural engagement through its three museums: Patricia & Phillip Frost Art Museum, the Wolfsonian-FIU, and the Jewish Museum of Florida-FIU. FIU is a member of Conference USA and more than 400 student-athletes participating in 18 sports. For more information about FIU, visit <http://www.fiu.edu/>.

The Information Systems and Business Analytics (ISBA) Department within the College of Business at Florida International University seeks qualified applicants for a non-tenure track Instructor in Operations Management and Quantitative Methods. The appointment comes with a 4+4 teaching load, reduced commensurate with publication record. Candidates should hold a Doctorate in Operations Management or a related field of study (including econometrics, industrial engineering, or applied statistics) and possess evidence of research productivity. As an Association to Advance Collegiate Schools of Business (AACSB) accredited institution, the Department gives preference to candidates meeting AACSB's "Scholarly Academic" (SA) standard and possessing relevant industry experience. The position comes with a competitive salary, commensurate with experience and qualifications, in addition to the potential for additional summer teaching opportunities.

Qualified candidates are encouraged to apply to Job Opening ID 513338 at facultycareers.fiu.edu and attach cover letter, curriculum vitae, and teaching evaluations, in a single PDF file. Candidates will be requested to provide names and contact information for at least three references who will be contacted as determined by the search committee. To ensure full consideration, applications and required materials should be received by August 1, 2017, although review will continue until the position is filled.

FIU is a member of the State University System of Florida and an Equal Opportunity, Equal Access Affirmative Action Employer. All qualified applicants will receive consideration for employment without regard to race, color, religion, sex, national origin, disability status, protected veteran status, or any other characteristic protected by law.
