

<b>Company:</b>	IPADE Business School	<b>Discipline:</b>	<b>Operations Management</b>
<b>Location:</b>	Mexico City/Mexico	<b>Employment Type:</b>	<b>Tenure Track position</b>

IPADE Business School, one of the top ranked business schools in Mexico and Latin America, was founded in 1967 by a group of prominent businessmen with the aim of developing future leaders with the ability to drive social and economic growth, rooted in personal integrity, social responsibility and a global vision. IPADE Business School is accredited by the Assoc. to Advance Collegiate Schools of Business (AACSB) and the Assoc. of MBAs (AMBA).

IPADE Business School is seeking qualified candidates for **Tenure Track Professor in Operations Management** for the academic cycle 2019-2020, starting in August 2019.

Successful candidates should have outstanding records in PhD or DBA programs. The candidates should have a strong interest in teaching and in doing research influencing both practitioners and academics. Candidates should have excellent communication skills, as well as a clear vocation for academia. The candidates should be able to teach in both English and Spanish for both graduate and executive education programs.

The primary teaching method for classes at IPADE is the Case Method, but professors also use a number of other teaching techniques, including simulations, workshops, negotiating exercises and panels featuring key players from the cases reviewed in class.

#### **Responsibilities:**

- **Teaching:** Teaching assigned course at the full-time and executive MBA and executive education programs, as well as focused and in-company programs, in the three business school's campuses: Mexico City, Monterrey and Guadalajara, as well as other locations, as needed.
- **Research:** Conducting high quality research aimed at peer-reviewed and research journals, as well as publishing cases and articles in general circulation and specialized periodicals. Participate in specialized global conferences and forums.

#### **Requirements:**

- Candidates should possess an earned **doctorate in operations management/supply chain management or a related field of study**. Candidates who do not have the degree yet, but are expected to complete the degree shortly are also encouraged to apply.
- A strong commitment to high-quality teaching.
- Excellent communication skills.
- An aptitude for research, as demonstrated by publications.
- English and Spanish proficiency.
- Disposition to use the case method of teaching.
- Spirit of service and teamwork.

#### **Application Procedure:**

Applications should include a cover letter, curriculum vitae, a statement of research interest and research philosophy, and two reference letters. Applications must be submitted electronically: <https://talentoacademico.ipade.mx/>
