

**Tulane University**  
**A. B. Freeman School of Business**  
**Professor of Practice in Management Science**

The A.B. Freeman School of Business at Tulane University is seeking applicants for non-tenure system faculty positions (Professor of Practice). This is a full-time appointment in the School's management science area. The Professor of Practice will teach undergraduate and graduate courses and provide support for the new master of business analytics. All positions are to start July 1, 2018. Salary, teaching load, and benefits are commensurate with other major research institutions. Ultimate recruitment for these positions is subject to final budgetary approval by the University.

**Job Qualifications**

Candidates are expected to hold a Ph. D. in management science or a closely related discipline or have a graduate degree in a business discipline and extensive experience in the practice of management science, specifically in business analytics. We seek candidates with strong teaching skills and the ability to make intellectual contributions to the profession. Knowledge of modeling software and commercial databases used in business analytics is highly desirable. The individuals must be effective in counseling and mentoring students, assisting students in job placement, and working with companies that recruit from the master of business analytics program.

**Application Instructions**

Application materials should be submitted electronically at <https://apply.interfolio.com/42447>. Applicants should submit a letter indicating their interest, an updated curriculum vitae, evidence of teaching effectiveness, evidence of intellectual contributions, and at least two letters of recommendation.

Tulane University is an equal opportunity/affirmative action employer.
