

The Department of Supply Chain Management in the W. P. Carey School of Business at ARIZONA STATE UNIVERSITY invites applications for an Assistant Professor tenure-track position starting Fall 2017.

Essential Functions: The candidate must conduct high-quality research and publish in top-tier SCM journals; effectively teach SCM courses at the undergraduate and/or graduate level; serve as a research mentor to doctoral students; and interact effectively with colleagues to support and enhance our unique department culture.

Minimum Qualifications: Possess an earned doctorate in supply chain management, business administration, or closely related field or be close to earning the doctorate by the position start date; demonstrate the potential to actively publish in top-tier SCM journals; and show evidence of teaching excellence. Have a) research interests in operations management and the capability to effectively teach business analytics courses or b) have research interests in buyer/supplier relationships with logistics providers and the capability to effectively teach supply management/logistics courses.

Desired Qualifications: Demonstrates an ability to publish research in top-tier SCM journals. Shows evidence to engage in wide spectrum of empirical and analytical methods and an appreciation of multi-method research. Can strengthen and complement the capabilities of the department in terms of research methods, and has interest in working on real problems in collaboration with industry or public sector organizations.

W. P. Carey School of Business. The W. P. Carey School of Business at Arizona State University is a comprehensive school of business offering nationally and internationally respected undergraduate, masters, and doctoral programs.
