

Senior Lecturer - Digital Business

Department of Management Systems

Waikato Management School

The Waikato Management School is an internationally renowned business school with triple crown accreditation and offers highly regarded degrees including the four-year Bachelor of Management Studies, Bachelor of Business Analysis (Financial), Master degrees in Electronic Commerce (MECom) and Business Management (MBM), Master of Management Studies, an executive MBA, together with the research degrees MPhil and PhD.

The Department of Management Systems offers papers in most of the degree programmes of the School. These encompass areas such as information and web-based technologies, supply chain management, business analysis and consultancy, and project management. We offer majors in Electronic Business and Supply Chain Management in both the BMS and BECom degrees. These two subjects are also offered as Graduate Diplomas, while Post Graduate Diplomas, Masters, and PhD degrees are offered in the area of Management Systems.

We seek a Senior Lecturer who will enhance our paper offerings and research outputs. You will have a PhD in Digital Business, Information Systems Management or a related discipline. You will have a proven record of scholarly publications and an active programme of scholarship. Your university level teaching experience and research interests will be in some of the following; digital business, social media and emerging business technologies. Familiarity with any of big data, analytics, business intelligence and project management, would be an advantage as would a willingness to enhance collaboration with other University faculties is also desirable. Linkages with other international management scholars in other institutions would be highly desirable.

Current salary range for Senior Lecturers is NZ\$86,840 to \$116,478 per year.

Further information about the Department can be obtained from www.mngt.waikato.ac.nz/msys. Enquiries of an academic nature should be directed to the Chairperson, Department of Management Systems, Associate Professor Stuart Dillon, email: stuart@waikato.ac.nz.

Closing date: 30 June 2016
