

University of Minnesota
Curtis L. Carlson School of Management
Supply Chain and Operations Department
Faculty Position – Tenure Track Assistant Professor

Program/Unit Description:

The Carlson School of Management and the University of Minnesota are home to many eminent scholars in a wide array of disciplines. The Carlson School sits at the heart of the Minneapolis-St. Paul, where the local economy is anchored by 17 Fortune 500 companies, including 3M, Target, General Mills, UnitedHealth Group, Best Buy, and Ameriprise. Carlson School faculty benefit greatly by partnering with the business community directly and through its many research centers. The Carlson School offers ample financial resources and an excellent infrastructure to support research and teaching excellence. It provides a vibrant scholarly environment for pursuing cross-disciplinary research on significant problems.

The Supply Chain and Operations (SCO) department has 11 tenured/tenure-track faculty and 3 full-time teaching faculty. The department teaches courses in the undergraduate, MBA, Ph.D., and other specialty programs, and conducts a wide variety of research in the Supply Chain and Operations discipline. The department is home to the Master of Science in Supply Chain Management program (MS SCM), targeted to working professionals, and the Juran Center for Research in Supply Chain, Operations, and Quality. The department has an active doctoral program with 14 students currently in residence.

Carlson School faculty are among the world's most prolific: the latest (2017) UT Dallas World Business School Rankings put the Carlson School at 13th in research, and the 2018 Academic Rankings of World Universities (ARWU) puts the Business Administration faculty at 9th in the world in intellectual contributions. The SCO undergraduate is ranked 11th and the MS SCM is ranked 6th, respectively, in the 2018 Gartner rankings of the undergraduate and graduate programs in the U.S. For more information on the school and department, visit <https://carlsonschool.umn.edu/> and <https://carlsonschool.umn.edu/departments/supply-chain-operations-department>

Position Description

We invite applications for a tenure-track position at the Assistant Professor level. Preference will be given to candidates currently at the senior assistant professor rank. All applicants must possess a Ph.D. in supply chain and operations management or related discipline by the starting date of the appointment, August 26, 2019. Preference will be given to applicants conducting engaged scholarship related to contemporary issues in supply chain and operations such as socially responsible operations, healthcare operations, sharing economy platforms, and value chain innovations in emerging economies. Applicants with rigorous training in empirical methods, data analytics, and experimental methods, and with a demonstrated ability to conduct empirically-driven research on contemporary issues in supply chain and operations are especially desirable.

Entry-level applicants for an Assistant Professor position must have a strong research program,

and also the potential to excel in teaching undergraduate and graduate courses.

Applicants who already hold an Assistant Professor position must demonstrate an exceptional research trajectory and evidence of high-impact publications, as well as excellence in the classroom.

Application Process

Interested applicants must apply online at <http://employment.umn.edu> and enter job ID: **326796** in the “keywords” search box. Applicants should follow instructions and submit all the requested documents listed online on the job description page. For questions about the application process, contact Vicki Lund at lundx006@umn.edu or (612) 624-9827.

Application Deadline

The search committee will begin reviewing applications on a rolling basis. Applications will continue to be accepted until the position is filled.

Interviewing

The search committee intends to undertake the initial screening interviews, once the review of application begins, via the Carlson School’s high-fidelity video conferencing facility.

The University of Minnesota is an equal opportunity educator and employer.
