

## **Clinical Professor / Senior Lecturer**

Jindal School of Management (JSOM) at University of Texas at Dallas (UTD)

JSOM seeks applicants for a Clinical Professor / Senior Lecturer to help further develop its *Energy Management* (EM) programs. Specifically, the hire will

- teach **certification** and **degree courses** offered by JSOM
  - Certification in **International Oil & Gas Management**
  - EM master degree with STEM (science, technology, engineering, mathematics) orientation
  - EM concentration within a bachelor's degree;
- help **design, innovate** and **implement curriculum**
  - especially, the curriculum of certification program(s);
- supervise undergraduate and graduate students.

The hire should be **thinking outside-the-box** to continue the development of energy program innovations. S/he should be a **visionary** person monitoring the trends and evolution of the industry to predict the needs of executives in the next 5 and 10 years so that s/he can accordingly re-design the programs. S/he should be a **good communicator** and **motivator, dynamic / energetic** person to portray the vision to others and to get things done.

The level of appointment depends on educational background and experience (teaching & industry). Applicants must have a Ph.D./J.D. or alternatively a master degree in a related discipline along with one of the following certifications: CPA in Accounting, CFA in Finance, GARP ERP in Energy Risk Management, Informs CAP in Analytics. The degree must be completed by Aug, 2019.

Review of applications will begin immediately and will continue until the position is filled. Applicants should send a **complete curriculum vita** including educational history, **teaching & work experience**. In addition, applicants should provide **letters of recommendation** via the online application form: <https://jobs.utdallas.edu/postings/11210>.

*The University of Texas at Dallas is an Equal Opportunity/Affirmative Action Employer.*
