

Tenure Track Faculty Position Department of Technology and Operations Management College of Business Administration

The Technology and Operations Management Department at California State Polytechnic University, Pomona (Cal Poly Pomona) invites applications and nominations for **two** tenure-track faculty positions at the assistant professor level, appointment effective Fall 2024. We have a strong commitment to inclusive excellence and to educational experiences that leverage the diverse perspectives and experiences needed to succeed and thrive in a diverse society.

Duties and Responsibilities: The new faculty member will teach in-person undergraduate and graduate classes primarily in Supply Chain Management and E-Business such as operations management, business statistics and analytics, technology management, production management, purchasing management, quality management, transportation and logistics, project management, etc.

Required Qualifications: Candidates must have earned a Ph.D./DBA with concentration in Operations Management, Supply Chain Management, or closely related fields such as IE/OR, MS, Decision Science etc. from accredited institutions. ABD candidates will be considered but must have their degree completed by the start date of the appointment. Candidates should demonstrate commitment to publishing in reputable peer-reviewed journals in their areas of expertise and excellence in teaching potential.

Preferred Qualifications: Academic/industrial experiences in Business Analytics and/or Data Management and/or Information Systems are strongly preferred.

Date of Appointment: The department seeks to fill the positions by Fall 2024. Consideration of completed applications will begin on **Oct. 10, 2023**, and will continue until the position is filled.
