

## **Joint Tenure-Track Position in Digital Platforms and Supply Chain Management areas.**

### **About the Opportunity**

The D'Amore-McKim School of Business (DMSB) and the College of Engineering (COE) at Northeastern University invite applications for a tenured or tenure-track position at all levels (Assistant Professor, Associate Professor, and Professor) in the broad area of digital platforms and supply chain management. The anticipated start date is Fall 2024. The successful candidate will have a primary appointment and tenure home in the Supply Chain & Information Management Group in the D'Amore-McKim School of Business and, depending on the candidate's research and teaching interests, a secondary appointment in either the Department of Mechanical and Industrial Engineering or the Department of Civil and Environmental Engineering in the College of Engineering. This interdisciplinary appointment brings an unparalleled opportunity to join a dynamic research environment that values effective collaborations across disciplines.

### **Qualification**

Candidates must hold a doctorate in relevant field including Business Analytics, Management Information Systems, Operations Research, Supply Chain Management, Industrial Engineering, Construction Management, Virtual and Augmented Reality, Digital Twins, Robotics, and Infrastructure Automation, etc., by the appointment start date. Academic rank at the Associate Professor and Full Professor levels will be commensurate with experience and qualifications reflecting a record of demonstrated teaching and scholarly excellence. Candidates should be committed to fostering diverse and inclusive environments as well as to promoting experiential learning, which are central to a Northeastern University Education.

### **How to apply**

Applicants should submit materials including a letter of interest, vita, recent working papers, and teaching evaluations via the [application portal](#). Letters of reference will be requested for candidates shortlisted for interviews. Please direct inquiries to Professor Gilbert Nyaga (g.nyaga@northeastern.edu), Chair, Supply Chain & Information Management Group.

### **Diversity Statement**

Northeastern University is an Equal Opportunity, Affirmative Action Educational Institution and Employer, Title IX University. All qualified applicants will receive consideration for employment without regard to race, color, religion, religious creed, genetic information, sex, gender, gender identity, sexual orientation, age, national origin, ancestry, veteran or disability status, or any other characteristic protected by the law. Northeastern University is an E-Verify Employer.
