Position Announcement

Tenure Track Assistant Professor Position in Supply Chain & Operations Management

**Mitchell E. Daniels, Jr. School of Business
Purdue University**

The Supply Chain & Operations Management Group at Daniels School of Business (DSB), Purdue University seeks applications for a tenure track assistant professor position starting Fall 2024. Qualified candidates must demonstrate potential for conducting research and publishing in premier outlets in the field of Supply Chain and Operations Management. A completed Ph.D. is required in supply chain and operations management, industrial engineering, computer science, data science, statistics, or a related area by the starting date. All candidates are expected to supervise Ph.D. dissertation research, teach at the graduate and undergraduate levels, participate in course/curriculum development, and provide service to DSB, the University, and the Supply Chain and Operations Management academic community.

The Supply Chain & Operations Management faculty at DSB is a vibrant group, fostering a supportive and productive environment. For more information about the group and our faculty, please visit our web site at

<https://business.purdue.edu/academics/Operations/>

The search committee is being chaired by Gökçe Esenduran, to whom all inquiries should be directed at gesendur@purdue.edu. Applicants should submit a letter describing their research accomplishments, a current curriculum vitae, and three representative publications to <https://careers.purdue.edu/job-invite/29368/>

Three names for recommendation letter writers should be submitted here:

<https://webapps.krannert.purdue.edu/KARS/Apply/JG9pnAWm5u>.

The newly launched Daniels School of Business will build upon Purdue's mission as a land-grant university to provide affordable and accessible education while combining technological excellence and business expertise. A background check will be required for employment in the position.

The review process will begin January 10, 2024, and applications will be accepted until this position is filled.

About the Organization

As Indiana's land grant institution established in 1869, Purdue is one of the nation's leading public research universities. Located in West Lafayette, IN, Purdue offers faculty

a great work and non-work environment. Recently recognized as one of the safest cities in Indiana, West Lafayette is centrally located to a number of major business centers including Chicago (2 hours), Indianapolis (1 hour), Cincinnati (3 hours), Louisville (3 hours), Columbus (3.5 hours), and St. Louis (4 hours). Purdue's Research Park is home to over 300 business start-ups, many of which originated from faculty innovations. DSB offers undergraduate programs, executive, online, and weekend MBA programs, numerous specialized Master's programs, and doctoral programs.
