

香港中文大學(深圳)
The Chinese University of Hong Kong, Shenzhen

The University now invites applications and nominations for:

Professor /Associate Professor/Assistant Professor in Operations Management – The School of Management and Economics

The School of Management and Economics at The Chinese University of Hong Kong, Shenzhen invites applicants for tenured/tenure-track positions in Operations Management and Business Analytics to begin fall 2025. Junior applicants should have (i) a PhD degree (by the time of reporting duty) in Operations Management, Business Analytics or related fields and (ii) high potential in teaching and research. Senior applicants for Associate and Full Professor positions are expected to have demonstrated academic leadership and strong commitment to the highest standard of excellence.

We welcome applications from individuals with research interests in the broad domains of Operations Management, Business Analytics and relevant fields. Teaching requirements may include undergraduate, masters, and doctoral level classes.

Materials should be submitted online through our application system with personal information filled and required materials uploaded via following link for further review:

<http://academicrecruit.cuhk.edu.cn/sme>.

For the candidates who will attend INFORMS 2024 Annual Meeting, please send your material by **October 10, 2024**. The search will continue until the positions are filled.

Further information about the posts and the University can be acquired via smeomrecruit@cuhk.edu.cn.
