

The Pennsylvania State University

Assistant Professor in Supply Chain Management **Department of Supply Chain & Information Systems (SC&IS)** *Smeal College of Business*

The SC&IS Department of the Smeal College of Business at The Pennsylvania State University (University Park, PA) invites applications for *three* tenure-track positions in Supply Chain & Information Systems at the assistant professor level for a Fall 2025 start date. Salary is competitive.

Candidates must have a doctorate degree (granted or near completion by the appointment/start date) in supply chain management or related field. A strong commitment to research and teaching excellence is expected. Faculty members are expected to maintain an active research program, perform undergraduate and graduate teaching, supervise graduate students, and engage in service activities.

The SC&IS Department comprises a vibrant, research-active faculty with research and teaching interests that traverse the end-to-end supply chain and includes business logistics, sourcing, manufacturing, and service operations. The department offers degree programs in supply chain management, management information systems, and business analytics. We seek outstanding candidates with expertise in **supply chain management** with an emphasis in sourcing, production/manufacturing, or logistics that would complement the faculty with high-quality problem-driven research and teaching in student-centered and collaborative learning environments.

The Smeal College of Business offers a collegial working environment and excellent campus facilities. It has the Center for Supply Chain Research® (www.smeal.psu.edu/cscr) which advances cutting-edge research and outreach in supply chain management. The SC&IS Department (www.smeal.psu.edu/scis) also has strong connections with the business community through various research centers that provide opportunities to interface with faculty across various disciplines within Smeal and across Penn State. For more information, please visit www.smeal.psu.edu/research-centers.

Review of applications will begin approximately October 1, 2024 and will continue until the position is filled. For further information, please contact Autumn Hanley at adh5253@psu.edu.

Applicants should upload a letter of intent, a statement of research and teaching, and a CV. Contact information for three references also should be provided. Please specify in your letter of intent which of the three domain areas (sourcing or manufacturing or logistics) you are applying for.
