

**The Hong Kong University of Science and Technology  
School of Business and Management**

**Teaching-Track Faculty Positions in Operations Management**

The Department of Information Systems, Business Statistics and Operations Management (ISOM) at the HKUST Business School, is seeking applicants for a teaching-track faculty position (open rank) in Operations Management, expected to begin in July 2025.

Candidates should have a PhD degree (or near completion) in Operations Management or other closely related disciplines, and have a strong record or demonstrate a strong competence in both teaching and applied research.

The Operations Management group of the department offers undergraduate, MSc and PhD programs, and offers courses for the school's MBA, EMBA, and DBA programs. The department web site is <http://www.bm.ust.hk/~isom>.

Applicants should submit a cover letter, curriculum vitae (CV), teaching evaluation and two selected research papers, and arrange three reference letters to be submitted by the writers. All materials should be submitted via email to Prof. Qing Li at [omrecruit@ust.hk](mailto:omrecruit@ust.hk).

Meetings will be arranged during the POMS-HK 2025 from January 4 to 5, with selected candidates who submit their applications by **December 20, 2024**. Applicants are requested to specify if they will attend the POMS-HK 2025 this year.
