Tenure Track Position in Information Systems
Department of Supply Chain & Information Systems (SC&IS)
Smeal College of Business

</div>

The SC&IS Department of the Smeal College of Business at The Pennsylvania State University (University Park, PA) invites applications for a faculty position in Business Analytics and Information Systems at the associate or assistant professor level. The position would begin Fall 2025. Salary is competitive. Candidates who qualify for the associate level should have outstanding research abilities and teaching experience.

Candidates should have a doctorate degree (granted or near completion) in information systems or a directly related field and a strong commitment to research and teaching excellence. Faculty members are expected to maintain an active research program, perform undergraduate and graduate teaching, supervise graduate students, and engage in service activities. Particularly desirable are candidates with a record of high-quality research and instruction in a student-centered environment, an engaged interest in collaborative learning environments, and an enthusiasm for working in a diverse and multidisciplinary intellectual environment. Underrepresented populations are strongly encouraged to apply.

The IS area of the SC&IS Department comprises a vibrant, research-active faculty with specific research and teaching interests that span the gamut of business analytics, machine/deep learning, Gen AI/LLM, business process management, blockchain, supply chain information technologies, digital markets and IT governance. We seek a candidate who would share and complement these interests while adding depth through scope or methodology.

The Smeal College of Business offers a collegial working environment and excellent campus facilities. The SC&IS Department (www.smeal.psu.edu/scis) also has strong connections with the business community through research centers that provide opportunities to interface with faculty across various disciplines within Smeal and across Penn State. For more information, please visit www.smeal.psu.edu/research-centers. Review of applications will begin on October 15, 2024, and will continue until the position is filled. For further information, please contact Autumn Hanley adh5253@psu.edu.

Applicants should upload a letter of intent, a statement of research and teaching, and a CV. Contact information for three references also should be provided. If presenting at CIST/INFORMS 2024 or ICIS 2024, please clearly indicate the scheduled presentation time slot and location.

Interested candidates are requested to apply directly online at:

The Pennsylvania State University

CAMPUS SECURITY CRIME STATISTICS: The Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act and Pennsylvania Act of 1988 require that crime statistics for Pennsylvania colleges and universities be made available to applicants upon request. Penn State's combined Annual Security and Annual Fire Safety Report includes statistics for the previous three years concerning reported crimes that occurred on campus, in certain off-campus buildings owned or controlled by the University, and on public property within or immediately adjacent to and accessible from the campus. The report also includes institutional policies concerning campus security, such as those concerning alcohol and drug use, crime prevention, the reporting of crimes, sexual assault, and other matters. You may obtain this information for the Penn State campus to which you are applying by accessing the website at www.police.psu.edu/annual-security-reports/. A printed copy of the report may be obtained by writing to University Police & Public Safety, The Pennsylvania State University, 161 University Support Building I, University Park, PA 16802 or by calling 814-863-1273.

EEO Is The Law. Penn State is an equal opportunity, affirmative action employer, and is committed to providing employment opportunities to all qualified applicants without regard to race, color, religion, age, sex, sexual orientation, gender identity, national origin, disability or protected veteran status. If you are unable to use our online application process due to an impairment or disability, please contact the Talent Acquisition Division at vacancy@psu.edu or 814-865-1387.

Employment with the University will require successful completion of background check(s) in accordance with University policies.
