QUALIFICATIONS

Successful candidates will have a Ph.D. in operations management or a closely related discipline, or be within a year of Ph.D. completion. Current knowledge and skills in the areas of operations and supply chain management, including the use of AI to solve problems in these areas, is preferred. The ideal candidate will have excellent written and oral communication skills, a proven teaching and research record, and a desire to work closely with undergraduate and graduate business students. Experience teaching online is desirable. We also welcome applications from experienced assistant professors who may be able to join with an accelerated tenure clock.

SALARY

Salary, summer support, professional development support, and benefits are competitive and commensurate with experience.

APPLICATION

Application deadline is April 1, 2025 or until filled. Applicants should submit electronically a letter of interest, a summary of relevant teaching experience, a curriculum vita and any additional supporting materials to:

Dr. Ven Sriram
Chair of the Faculty
University of Baltimore
1420 North Charles Street
Baltimore, Maryland 21201
