## Schedule:

12:30 - 1:00 pm	Networking, assembly
1:00 - 2:30 pm	BOM paper competition presentation & announcement of the winners
2:30 - 3:00 pm	Bus transportation to OMP
3:00 - 5:00 pm	Field visit to OMP
5:00 pm	Bus transportation back to hotel
6:00 pm	Joint mini-conference reception

We invite you to join us for a field trip to [OMP](#), a leader in supply chain planning solutions. This visit will provide a deep dive into OMP's cutting-edge technology and its impact on modern supply chains.

## Featured topics and speakers:

- An overview of OMP featuring real-world use cases: *David Joiner, Sr. Manager – Strategic Accounts*
- AI / Machine Learning initiatives: *Lennert Smeets, Sr. Product Manager*
- Human interactions with Solvers – the human elements of complex solutions in supply chain: *Cyprien Bastide, Product Expert*

To participate in the visit, please register for the BOM college mini-conference via the [POMS conference website](#). Please note that space is limited due to constraints of the visit, and on-site registration will not be accepted.

Special thanks to Basak Kalkanci from Georgia Tech for facilitating the connection with OMP.

Thank you all for joining and we look forward to seeing you in Atlanta!
